The Eagle Scout Service Project Coach is an essential key in fostering advancement to Eagle Scout rank. The Eagle Scout Service Project Coach is an official BSA trained position. Give your Scouts the advantage of a trained Coach within your troop! This course is a prerequisite to being approved by the District Advancement Committee as a trained Eagle Scout Service Project Coach. The course content will follow the National training module, cover SCCBSA policies and procedures, as well as provide hands-on tips and suggestions from the Matinecock District Advancement Committee.

This course is also a good grounding in the Eagle Scout Service Project for Troop Life-to-Eagle advisors or mentors (usually Assistant Scoutmasters.) It is encouraged that every BSA Troop have at least one trained Eagle Scout Service Coach.

To register, please return the form below ASAP. A registration form must be filed for each person taking the training.
